**Attachments:** Evaluation of new QA.doc  
**Importance:** High

Hi,  
The evaluation questionnaire distributed at the recent QA/QI meeting is on the P drive: Quality Assurance / QI meetings / QA/QI evaluation tool.

In attempt to make it easier for people, I am attaching a copy to this email. The form contains a section for free text comments, please complete this section if the form doesn't ask for feedback on an aspect that you want to comment on.

You have options:

1. Complete it electronically and send via email to either Austin or me.
2. Complete it the old fashioned way – by hand and bring to Austin or me.

To date, seven questionnaires have been returned. I would like to receive more feedback before summarizing the feedback on the new program. If you have not completed the questionnaire, please make every effort to complete it and return it to either Austin or me by Thursday, January 22.

The summary will also include comments made by Charlie Reynolds during the recent CLIA inspection.

Thanks,  
Peggy DiNatale
